You are welcome to videotape class, take photos, and bring friends and relatives on this night. Parents will also be invited to watch the last couple of lessons of the preschool and 4k classes, this will better prepare the children to dance in front of an audience.

Studio Parking

Parking is limited behind the building, please park vehicles in the city parking adjacent to the building or on the street.

Attendance

Good attendance is imperative, as absences and tardiness can hold back an entire class, and the studio cannot jeopardize its responsibilities to the rest of the class for one student. Please make every effort to have your child to class on time. Repetitive tardiness may result in your child not participating in the show regardless of your costume purchase. It is also important that you pick up your child promptly.

Recital

Every year, "Dance Elite, LLC" holds an annual recital in the spring. This gives your child the opportunity to perform in front of a live audience in full costume, scenery and lighting. Every student is eligible to perform, however, it is not required. If you do not wish to participate in the show for some reason, you must notify Miss Holly by the time costumes are ordered in November.

Our recital date will be May 13st and will be held at the Prairie du Chien High School Auditorium. Stage lessons will be May 7-9th your child's class will only dance on one of these days. Family and friends will be allowed to view these performances with the purchase of tickets that will go

on sale in April.

Every student participating in the recital must practice at his or her stage lesson and dress rehearsal in FULL COSTUME. Stage lessons will take place at the Center for the Arts (CFA). Dress Rehearsal is a complete run through of all dances with full costume, makeup, lighting and scenery. We will be having a **picture day** prior to recital on **April 29th**.

All dancers must remain backstage in the dressing area during their recital. Dancers are **NOT** permitted in the audience during the show or in the hallway outside the auditorium. Every child must be accompanied by an adult. Younger students usually perform in the first half of the show, while older and more experienced dancers perform in the second.

All students are expected to stay until the end of the recital to take part in the Finale. However, we realize that some of our younger dancers may tire easily and for this reason our preschool classes are not required to stay until the end of the show.

Recital Videos & Class Photos

Please DO NOT videotape or photograph the recital while it is in progress, as it is dangerous for the performers and discourteous to the audience. People cannot enjoy the show with video cameras throughout the audience. If you try to video the show you will be asked to leave and your child will not be able to enroll in classes the following year. The recital will be videotaped by Video Memories and can be purchased from them.

Professional portraits will be scheduled for April 29th. Group and individual photos can be purchased at this time, ordering information and pricing will be available in the spring. Please notify Miss. Holly if you cannot make this date.

Videotaping and photographs are NOT permitted, except at stage lessons and dress rehearsal. You are welcome to take photos on stage after the recital has concluded or during dress rehearsal.

Recital Volunteers

If you would like to help out at the recital, please sign up on one of the volunteer sheets posted in the waiting area in May. This is a fun way to participate and learn what is involved in developing this type of production. If you decide to help, we ask that you view the class prior to the dress rehearsal to become more familiar with the songs, shoes, and prop changes, ect.

Ticket Sales

Due to the cost of a recital I am required to charge admission to the performance. Admission to the recital is by ticket ONLY. Recital tickets will be sold online this year by Tututix.com and will be sold in advance in April; this will be determined at a later date. A spring newsletter will be available with more details closer to recital time.
